

ACTVET recognize its responsibilities in shaping the values of future generations and aim to ensure the sustainability of Technical Vocational Education and Training through proactive leadership in the protection of human health and safety

ACTVET's commitment to accomplish and maintain a successful Occupational Safety and Health Management System is achieved through the following actions:

-  Managing Occupational, Safety & Health impacts, hazards and risks arising from our work activities and operations which are identified, evaluated and action are taken to reduce as reasonably practicable.
-  Providing adequate resources both financial and human for the implementation of our OSH Management System.
-  Be responsible for delivering a high level of OSH Communication and encourage all individual's participation and cooperation at all levels in ACTVET Operations and Activities.
-  Ensure that adequate OSH Awareness and Training are provided to achieve the successful development and implementation of the OSHMS within ACTVET.
-  Preventing injuries and causes of ill health and safety.
-  Ensure relevant Legal Compliance are identified, incorporated into policies and procedures and adequately communicated to all ACTVET employees, contractors and relevant stakeholders.
-  Promote worker social and emotional wellbeing through workplace practices and policies.
-  Continually improve our OSH Management System and performance through monitoring and periodic review of our OSH Policy and progress toward OSH objectives and targets.
-  Ensure to comply with all Occupational Safety & Health Performance and Reporting Requirements of Abu Dhabi Occupational Safety & Health Center (OSHAD-SF).

This policy is issued to all staff, contractors and concerned stakeholders.

Dr. Mubarak Saeed Al Shamsi

Director General

Abu Dhabi Centre for Technical and Vocational Education and Training (ACTVET)
