Stream

We're excited to share that for the Academic Year 2023 - 2024, ATS students are on the UAE's list of top performers in vocational schools, standing out in both the General and Advanced streams based on their cumulative percentages.

For the Academic Year 2023 - 2024, the distribution of Grade 12 students is as follows:

Advanced Science Program (ASP): 241 students

Advanced: 1061 students

General: 881 students

Skills Activities by ACTVET

A. Friendly Competition – Chinese Taipei

ACTVET's UAE team joined the Industrial Design Technology competition in Chinese Taipei from 10 - 15 July 2024.

B. Skills Camp 2024

Skills Camp 2024 trained 10 students during their summer break, from 1 July - 31 August, in five technical skills: Electronics, Painting, Electrical Installation, Welding, and 3D Printing, across Abu Dhabi, Ajman, and Al Ain.

C. Skills Team Building Sessions

56 participants, including trainers, experts, competitors, team leaders, and management, attended two team-building sessions organized by the Skills Team on 11 July and 13 August 2024.

D. In- House Competitions

Two in-house competitions: 5 - 19 August 2024 at Skills Park in Abu Dhabi and 12 - 16 August at ATS Ajman were held to enhance competitors' skills and teamwork in preparation for the WorldSkills Lyon competition.
